CATERING

A garden party? An outdoor family gathering? Choose a catering service that will provide the best entertainment and the most delicious food straight off the grill!

Street Food Party Catering is the perfect choice for anyone who wants to surprise their guests with great flavours and a fantastic atmosphere. It's ideal for relaxed, private gatherings and smaller corporate events. A simple menu, a laid-back atmosphere and the magic of the fire.

This service is tailored to the needs of smaller gatherings of 50 people or more. It's also ideal for events with time or budget constraints.

Our menu takes you on a journey through street food from around the world – on our grills we prepare American BBQ classics (burgers, pulled pork, ribs), grilled pizza, Caucasian, Argentinian and Japanese dishes, and much more. We also set up a station where guests can assemble their own tacos.

There's no need to specify if you require vegetarian, vegan or gluten-free options, as we always have ready-made alternatives to cater for these dietary requirements.
